Undergraduate Council

Greetings Chapter Basilei, Officers and Members;

On November 19, 2004, the Undergraduate Council along with the Membership Committee hosted a Fall Informational at John Hopkins University. Presently the committee has seven young ladies interested

in membership. Due to scheduling conflicts, the committee was unable to meet with our prospective members in the month of December. Our next meeting with the prospective members has been scheduled for Monday, January 31, 2005 on the campus of John Hopkins University, at that time the committee will discuss membership fees and

chapter activities.

Respectfully Submitted,

Soror Kimberly Whitaker
